

2018 Stallion breeding auction to benefit the Harness Racing Museum & Hall of Fame

by Janet Terhune, Harness Racing Museum & Hall of Fame

Goshen, NY --- Do you have a breeding that you won't be using this season? We have a home for it! We are lining up our stallion roster for the 2018 season and invite you to put your breedings to work for the benefit of all – the breeding donor, the mare owner and the Harness Racing Museum.

Donated breedings help further the Museum's Mission – to protect the past, support the present and promote the future of our great sport. If you have a breeding, or know someone who does, and want to donate to this important fundraiser please contact Joanne Young at development@harnessmuseum.com or 845.294.6330 as soon as possible. The amount of the payment received for the stallion breeding may be considered as a charitable contribution for income tax purposes by the donor.

A complete list of the 2018 stallions, conditions and bid form will be posted in late January at www.harnessmuseum.com under the Fundraisers tab, on line and in issues of The Horseman and Fair World. There is no limit on the number of breedings we will happily accept and in return we promise professional, dedicated attention to making the best possible arrangements.

Bids on these breedings must be called in, emailed or postmarked by Saturday, Feb. 10, 2018. Any breedings not receiving successful bids may still be available after that date.

We want to thank those who have already donated for the upcoming breeding season. We are happy to receive breedings throughout the spring and duplicate breedings are acceptable.

If you have not participated in this unique and important fundraiser by donating a breeding or placing a bid and would like more information, please contact Joanne Young at 845.294.6330 or development@harnessmuseum.com.
