

OVER \$146,000 UP FOR GRABS FOR FRESHMAN TROTTING FILLIES IN NYSS

Some fine looking freshman trotting fillies will battle in four divisions of New York Sires Stakes at Monticello Raceway on Wednesday afternoon, September 16 with over \$146,000 in the offing.

One division will go as a non-wagering event prior to the betting card at 12:40pm while the other three will be races one, four and five on the 13-race card.

Russell Williams', Madam Hooch, and Peter Arrigenna's, Tuesdays With Mom, are arguably the most impressive of the lot, through they are a host of others that also are classy.

Madam Hooch, a Credit Winner-Pigwidgeon filly trained by Freddie Grant has five wins and three seconds in nine seasonal starts; the fastest a 1:59:2 (f) clocking at Tioga Downs though she has won twice over the double oval at Yonkers Raceway in 2:01 and 2:01:4. Thus far she has bankrolled \$131,991.

Madam Hooch will depart from post six in the first race with Mike Simons at the controls.

Tuesdays With Mom is daughter of Credit Winner-Princess Deanna with six wins – the last five consecutive- and one second in seven outings this year. She owns a 1:59 (f) taken at Tioga Downs but has a 2:00:2 victory over Yonkers Raceway's half-mile track.

Owned and trained by Arrigenna Tuesdays With Mom has already earned \$134,168. Jeff Gregory will be up when

the filly leaves from the five-hole in the non-betting event.

Though there are others that will probably shine on Wednesday one thing is for sure and that is the Monticello Raceway track record of 2:00:4 for 2-year-old trotting fillies set last year by Nirvana Blue Chip for 2-year-old trotting fillies could be in jeopardy.

Post time for the betting card is at the usual 1:10pm.
