

By Mike Sardella

Ubetterthink Think took her first Saratoga fillies and mares open on Thursday night at Saratoga Gaming and Raceway as the Mark Ford trainee recorded her eighth win of the

2010 campaign. It wasn't easy though. Ubetterthink Think was parked every step of the way before drawing clear in the stretch to record the 1:55.2 in the \$16,500 feature for distaff pacers. An earner of better than two-thirds of a million dollars lifetime, the six year old showed her backclass by overcoming the difficult trip and finishing well in the stretch.

The feature victory for Ubetterthink Think (Brian Cross) was her second local win of the season as she prevailed in a condition race at the Spa back in May. The classy mare added her name to a long list of open winners this year at Saratoga. Pebble Run (Billy Dobson) ran second on Thursday night while Impressive Char (Chris Long) came up third best.

Live racing continues on Friday night at Saratoga with New York Sire Stakes taking center stage as two year old trotting fillies will be featured. First post time on Friday is 7:20pm.
