Trainer Ed Hart nearly swept the New York Sire Stakes races on Saturday night at Saratoga Gaming and Raceway as three members of his stable recorded wins in the Late Closers. The three year old filly pacers took part in the \$13,000+ purse Late Closers and Hart saw all three of his distaff pacers secure victories on the warm and humid night at the Spa.

Paper Princess was the fastest amongst the four winners of the Late Closers as Hart's sophomore filly posted a career best 1:56 win with Hall of Famer Wally Hennessey showing the way. Hart also saw his Union And Ludlow and Kash Delight secure victories from off the pace. Both of those three year olds were piloted to their wins by Billy Dobson.

Hart went three for three on the evening while the other Late Closer race was won by Upland Hanover who edged out the favorite Glacier Girl in the stretch before recording the mild upset for reinsman Mark Gingrich.

Live racing resumes on Tuesday night at Saratoga with a program of 13 races set to begin at 7:20pm.
