

The Harness Horse Breeders of New York State is encouraging their membership to attend the \$1.5 Hambletonian, for three-year old trotters, on August 7th at the Meadowlands Racetrack in Secaucus, New Jersey.

“At a critical juncture of the Standardbred industry, it’s important to show our support for the Standardbred Owners and Breeders of New Jersey and by HHBNYS support of the most prestigious trotting event of the year”, said owner/breeder Kenneth Jacobs; adding: “By doing so, we will demonstrate to Governor Christie the economic importance of harness racing in the area.”
