

Tioga Downs is proud to announce Jody Jamieson will be the sponsor's exemption for the Second Annual Driver's Championship at Tioga Downs. Jody currently has 165 wins this year and has earned more than \$3,263,000 in 2008. He is one of the leading drivers in Canada, and also participated in the first Driver's Championship at Tioga in 2007.

“I am really honored that Tioga has given me the opportunity to represent Canada in the Driver's Championship again this year. Tioga is a fun place to drive at with the crowds that they get for live racing, you don't see that anymore. I think they do a great job marketing their racing product, and they care about bringing people back to the track” said Jody Jamieson.

The second annual driver's championship at Tioga Downs will take place on Sunday, July 27th with a post time of 1:15 p.m. All of the driver's will be on hand before the races in an autograph session on the track apron.
